Team Application

About Us

1. We are an equal opportunity employer and we select only qualified applicants for every position. We will make our selections based on what strengths you bring to our team and how you fit into our operating style. We are looking for people with a positive attitude, attentive to customer service and who will make working in our team environment enjoyable for as long as we choose to work together.
2. We will verify all the information you give us on this application. Any false or misleading statements will disqualify you from consideration, no matter how talented you may be. Please understand we are not as concerned with what you tell us as we are that you give us the truth. Honesty is always the best policy...especially if you hope to become part of our team.
3. We are committed to maintaining a drug-free workplace. This means that we do not tolerate the possession of drugs on the premises nor do we permit our staff to work under the influence of drugs or alcohol.
4. At the last page of this application we give you an opportunity to make a personal "sales pitch." We suggest you give it some thought and present a case for yourself. After all, if you don't believe in you, why should we? Although a resume is not necessary, if you have one, please attach it to this application.
5. Our hiring process consists of this application and two interviews. If you are hired, you will have to complete our training program which runs one to two weeks depending on the position.
6. Sweet Fire Donna's recognizes the right of its employees to work in an environment free of tobacco smoke. To that end, Sweet Fire's is declaring its premises to be a totally smoke-free environment.
